NOTE: this is the Free version of Growththink's Ultimate Landscaping Business Plan Template. Much of the information from the paid version, including the integrated financial graphs and charts have been removed from this version.

The real version of Growththink's Ultimate Landscaping Business Plan Template is much more than a fill-in-the-blanks template.

That template professionally guides you step-by-step so you can quickly, easily and expertly complete your business plan.

Perhaps most importantly, it includes complete financial projections. You simply enter some numbers (for example the # of products/services you expect to sell and the price), and Growththink's Ultimate Landscaping Business Plan Template automatically builds your 5-year Income Statement, Balance Sheet and Cash Flow Statement. This service alone would cost thousands of dollars if you hired an accountant to complete it for you.

II. Company Overview

Company Profile

- *Where are you located?*
- *When were you formed?*
- *What is your legal entity form?*

Company Vision/Mission Statement

- *What goals is your company trying to achieve?*

Past Accomplishments

- *What successes has your company already achieved?*

Sample from Growthink's Ultimate Landscaping Business Plan Template:

[Company Name], located at [insert location here] is a landscaping services business. We offer a comprehensive selection of lawn care and maintenance services for both residential and commercial customers.

[Company Name] was founded by [Founder's Name]. While [Founder's Name] has been in landscaping for some time, it was in [month, year] that he decided to launch [Company Name]. Specifically, in the summer preceding this decision, [Founder] was approached by several of his regular clients who were unhappy with [Founder]'s then-current employer's recent policy changes. These clients revealed that this policy change resulted in their having no say over which crew serviced their lawns. As these clients had been long-time, loyal customers of [Founder], they each approached him to suggest he start his own landscaping company. As more and more loyal clients approached him, [Founder's Name] clearly understood that his own landscaping business would enjoy significant success in this market.

Specifically, the number of loyal residential and commercial customers was significant enough that he knew it would work. Furthermore, after surveying other homeowners and local business owners, he confirmed the need for another reliable, experienced landscaping company in the market.

III. Industry Analysis

Market/Industry Overview

- *In what market(s) do you compete?*

Market/Industry Trends

- *What are the key market trend(s) and how does that effect you?*

Relevant Market Size

- *How large is your relevant market (the # of customers who can realistically buy from you)?*

Sample from Growthink's Ultimate Landscaping Business Plan Template:

The following industry statistics bode well for [Company Name].

According to the recent report entitled, "Landscaping Services in the U.S." by National Association of Landscape Professionals, the industry's annual revenue is approximately \$105 billion, with an estimated gross profit of 5.5%. What's more, the following trends are driving the landscaping industry:

Market-level trends:

- **Construction.** Nonresidential construction (resorts, schools, retail centers, office buildings, etc.) that incorporate green areas drive demand for Landscaping Services. Similarly, residential construction and home improvement spending increases demand for landscaping.
- **Government spending.** Government spending on the maintenance of parks, schools, hospitals, and other public areas drives demand for landscaping services.

Customer-level trends:

- **Disposable income.** Changes in per capita disposable income affect demand. Because gardening and landscaping services are discretionary expenditures, they can be readily canceled or deferred when households want to decrease spending. As a result, demand for industry services typically correlates with levels of per capita disposable income.

IV. Customer Analysis

Customer Needs

- *What are the key needs of your target customers?*

Target Customer Profile

- *Who are your target customers? Give a detailed demographic profile.*
