**NOTE: this is the Free version of Growththink's Ultimate Laundromat Business Plan Template. Much of the information from the paid version, including the integrated financial graphs and charts have been removed from this version.**

The real version of Growththink's Ultimate Laundromat Business Plan Template is much more than a fill-in-the-blanks template.

That template professionally guides you step-by-step so you can quickly, easily and expertly complete your business plan.

Perhaps most importantly, it includes complete financial projections. You simply enter some numbers (for example the # of products/services you expect to sell and the price), and Growththink's Ultimate Laundromat Business Plan Template automatically builds your 5-year Income Statement, Balance Sheet and Cash Flow Statement. This service alone would cost thousands of dollars if you hired an accountant to complete it for you.

### **Market/Industry Overview**

- *In what market(s) do you compete?*

### **Market/Industry Trends**

- *What are the key market trend(s) and how does that effect you?*

### **Relevant Market Size**

- *How large is your relevant market (the # of customers who can realistically buy from you)?*

### **Sample from Growthink's Ultimate Laundromat Business Plan Template:**

The laundromat industry is strongly correlated with the rate of homeownership, and the number of people enrolled in higher education. Last year, according to IBISworld.com, industry revenues fell as the market fell, declining by 6.6% to \$5.3 billion. Revenues are expected to continue to decline in the next few years, to total \$5.2 billion.

CSC ServiceWorks Inc., the industry's only major player, is anticipated to comprise a notable 18.9% share of industry revenue. However, the industry remains highly fragmented, with many small, private and family-owned businesses operating throughout the United States. The majority of companies in the industry are non-employers, and more than 50.0% of companies in the industry do not employ any workers. According to the latest information from the Economic Census, more than 76.5% of all industry establishments operate with four employees or fewer. The Laundromats industry is forecast to retain a low market share concentration over the five years to 2025.

The market served by the laundromats industry are primarily consumers who rent their homes. This market can be further divided into renters who use laundromats (38.4%) and renters who use on-site laundry facilities (22.3%)

The next largest customer segment served by laundromats is made up of commercial and industrial clients (16.6%)
